

ABOUT SAFE-D

SAFE-D is the only association dedicated to meeting the needs of Texas emergency services districts. Through SAFE-D, member districts work smarter and work better to provide fire protection and emergency medical services to the people they serve.

Basics of ESD Budgeting

A special SAFE-D workshop

10am-2pm

Friday, August 20

TCESD2 Conference & Education Bldg.

201-B E. Pecan
Pflugerville, TX

Presented by
the State
Association
of Fire and
Emergency
Districts

Money's tight. Times are hard.

ESDs face particular challenges in budgeting, as the pressures of essential services run head-on into the limits of financing.

Join ESD officials from across the state in sharing insights into the budgeting process, finding ways to stretch dollars and still meet the needs of your residents.

SAFE-D, the only association dedicated to helping ESDs work better for the people they serve, shares the knowledge you need to adopt a meaningful budget.

Tentative Schedule

- 10:00-10:30 Strategic Planning
- 10:30-11:15 Financial Planning for ESDs
- 11:15-11:30 Q&A
- 11:30-12:15 Networking Lunch
- 12:15-1:00 Modified Zero-Based Budgeting
- 1:00-1:10 Break
- 1:10-2:00 Budget Process

Don't wait. Act today to assure your district gets the benefit of this critical information.
